RE: Johnson v. Schubert, et al. [1:22-cv-03787-KHP]
Extension Request for Plaintiff's Deadlines for Moving for Leave to File an Amended Complaint.¹

Dear Judge Parker,

I ask that the Court extend the deadlines for Plaintiff to Move for Leave to Amend Complaint by thirty days. This would change the schedule to the following:

- July 5, 2023: Deadline for Plaintiff to give Defendants a draft amended complaint.
- July 12, 2023: Deadline for Defendants to raise any objection with Plaintiff or give Plaintiff their consent to file the amended complaint
- July 19, 2023: Deadline for Plaintiff to move to file the amended complaint

I have not previously requested any extensions for these deadlines.

I am requesting this extension because I am pro se and it is difficult for me to meet these deadlines. I need additional time in order to properly consult with the NYLAG SDNY Pro Se Clinic.

I contacted opposing counsel on June 2 to request permission for this extension. Opposing counsel let me know that they consent to extend the deadlines to my proposed dates. Thank you for your consideration.

Respectfully,

/s/ Vandyke Johnson

In light of the anticipated amended complaint, the motions to dismiss at ECF No. 36 and No. 40 are dismissed without prejudice to filing a renewed motion with respect to the amended complaint.
